**RE: P.S.C. Case No. 2005-00101 (Kentucky Power Company Leslie County,
Kentucky Transmission Line)**

Dear Mr. Burford:

Thank you for your letter of September 5, 2006. Although final grading and hence the projects continues, construction of the structures and line itself is complete.

I am enclosing a copy of the as built drawings of the line. The line was built as proposed and thus those structures marked as proposed structure on the enclosed represent the "as built" location of the line and its structures.

If you need any additional information, please do not hesitate to contact me.

Sincerely yours,

STITES & HARBISON, PLLC
